**Subject:** AK Steel's ROP

Hi Beth:

Per my voicemail message, I am providing copies of the final draft ROP documents for AK Steel. We believe that we have addressed the comments submitted by EPA. Therefore, we plan to approve AK Steel's ROP on January 26, 2016. Please let us know if you have any additional questions regarding the documents. My preference is to schedule a conference call to discuss any issues or questions.

Thanks,

Mina
